

COMPLEXCORE⁺ WORKSHOP IN FINLAND

„LEVEL 2/3“

DEAR COLLEAGUES,

we would like to inform you about our next **ComplexCore⁺ „LEVEL 2/3“ education** on 3rd of November 2019 in Finland. The seminar contains level 2 and 3 of the three-step ComplexCore⁺ education.

COMPLEXCORE⁺ CONCEPT

ComplexCore⁺ helps you plan training and therapy sessions by assisting you in viewing and selecting exercises. In addition, ComplexCore⁺ offers theoretical and practical content. The theoretical section contains basic information on functional anatomy, detailed content about training examples and sport science principles such as screening and motor skills testing. The practical section provides an insight to a system with more than 3000 various exercises.
